

MEMBERSHIP RENEWAL NOTICE

Dear HKSTS Fellow / Corporate Member / Associate Member,

Thank you very much for your continuing support of the Hong Kong Society for Transportation Studies (HKSTS). Since its establishment in 1996, we have grown from strength to strength, with our international conference becoming an annual highlight in the field of transportation.

In order to take stock of our membership and to facilitate future correspondence, I would like to invite you to renew your HKSTS membership. Our Board has decided to waive the annual membership renewal fee of HK\$500 for Corporate Membership and HK\$250 for Associate Membership given the sound financial footing we have enjoyed thanks to your support. Having said that, membership renewal is contingent upon the completion of a reply slip of your contact particulars (please see attached). If we do not hear from you by September 30, 2015, I am afraid we shall have to move to deregister your membership at our next Annual General Meeting of HKSTS, tentatively scheduled to take place in November 2015.

We would be delighted to hear from you and thank you for taking the trouble to return the reply slip.

Sincerely,

Prof. William H.K. Lam
Chair Professor of Civil and Transportation Engineering
President, Hong Kong Society for Transportation Studies
